COMMITMENT TO COMMUNITY POLICIES AND STANDARDS

Form for all CAZ campers 12 and older

We would like to come together as a community around policies and community standards that support and protect our unique family culture as a camp.

In this spirit, we are asking each camper 12 and older to read, discuss as a family as needed, and sign the agreement/commitment below.

I: In accordance with state law, Cazadero Performing Arts Family Camp (CPAFC) prohibits the use or possession of illegal drugs (including, but not limited to, any controlled substances without a valid physician's prescription) and prohibits the use or possession of alcohol by individuals under 21.

Any camper, staff member, or staff dependent found to violate this policy will be asked to leave camp immediately. No refund of fees will be provided. If a parent is not available to pick up a camper or staff dependent who is a minor, CPAFC reserves the right to arrange transportation home of the minor at the family's expense.

II: The Board and Staff of CPAFC also wish to ask that families take responsibility for a safe, healthy and restful experience for their and other families. Kids and parents hereby commit to the following:

1. Parents will make sure that all young people campers under 18 are back at their family cabin by at latest 12:30 AM.
2. Adults who choose to use alcohol must do so responsibly and must ensure that containers are not in public view. Alcohol cans and bottles must be stored privately and taken home for recycling to avoid piles of cans and bottles in public areas.
3. Older teens and young adults should be aware of their behavior and its modeling effect on younger kids, and conduct themselves mindfully regarding policies and community standards discussed here.

Any individuals who do not honor these policies will be referred to the Camp Director. Repeated failures to honor these policies may result in individuals and/or families being asked to leave camp without a fee refund.

"I have read and understand the above and agree to these policies, community standards and consequences during my participation at Cazadero Performing Arts Family Camp 2015."
